

Introduction Of New Skills Subject For Middle School Students (Step 6 To 8)

At CBSE, we are committed to the holistic development of students, aiming to nurture good human beings who are engaged, productive, and contributing citizens. Our vision is aligned with the values of building an equitable, inclusive, and plural society as envisaged by our constitution.

To support this vision, we at Dnyanada are introducing a variety of skill-based subjects for middle school students. These subjects are designed to enhance practical skills, foster creativity, and encourage self-reliance. The skill modules being offered in middle school include:

1. *Financial Literacy*

- Understanding money management, budgeting, and savings.
- Basic concepts of banking, investments, and financial planning.

2. *Pottery and Clay Work*

- Techniques of shaping and molding clay.
- Creative expression through pottery and clay sculptures.

3. *Culinary and Baking*

- Basic cooking and baking skills.
- Understanding nutrition, food safety, and presentation.

4. *Embroidery - Needle and Thread Work*

- Techniques of embroidery and stitching.
- Creating decorative patterns and designs.

5. *Best Out of Waste*

- Creative reuse of waste materials.
- Developing eco-friendly and sustainable practices.

6. *Beauty and Wellness*

- Basic grooming and personal care.
- Introduction to wellness practices and healthy living.

7. *Mask Making*

- Crafting masks using various materials and techniques.
- Exploring cultural significance and creative expression through masks.

These skill-based subjects aim to equip students with practical knowledge and hands-on experience, preparing them to be versatile and adaptive in a rapidly changing world. By fostering these skills, we hope to empower students to contribute meaningfully to society and lead fulfilling lives.
