

HAPPY DAY

"Bagless days are happy days, where learning meets joy and creativity takes flight."

Dear Parents,

The National Education Policy 2020, released by the Ministry of Education (MOE), emphasizes the importance of enrichment activities and 'Bagless' days for students. In alignment with these guidelines, we are excited to introduce bagless days throughout the year, featuring various enrichment activities such as arts, quizzes, sports, dance, robotics, and vocational crafts.

Holistic development is essential, and nurturing students' innate talents is a key part of this process. At Dnyanada English School, we believe in providing platforms for students to explore their interests and abilities beyond the traditional school curriculum. Therefore, we have designated one day each week as Bagless Day for students in classes 1st to 8th.

This initiative aims to revolutionize education and help students gain a broader perspective. The schedule for Bagless Days is as follows:

- *Class 1st and 2nd *: Happy Day on every Monday
- *Class 3rd and 4th *: Happy Day on every Tuesday
- *Class 5th and 6th *: Happy Day on every Thursday
- *Class 7th and 8th *: Happy Day on every Friday

We have carefully curated a variety of activities to enhance the learning experience of our students. These activities include Robotics, Competitive Exam Preparation, Dance, Arts, Yoga, Meditation, Musical Instruments, Skill Subjects, Financial Literacy, and more.

Detailed information about the activities will be shared by the respective class teachers soon. We kindly ask you to ensure that your child brings the necessary materials to school on their designated Happy Day.

We look forward to your support in making this initiative a success.

Best regards,

Dnyanada English School
